City Manager's Approval
-------------------------

**To:** Mayor and City Council Members  
**From:** Bernie Schroeder, Director of Public Works  
**Date:** June 11, 2012  
**Subject:** Naming East End Hangar Access Road to Col. Bud Anderson Drive

**The Issue**

Should the City Council direct staff to move forward with the proposed naming of Col. Bud Anderson Drive for the roadway connecting Old Airport Road to the East End Hangar area of the Auburn Airport ?

**Conclusions and Recommendations**

By **MOTION**, authorize staff to take the necessary steps to name the currently un-named access road located southeast of the Auburn Municipal Airport off of Old Airport Road to Col. Bud Anderson Dr. per the attached Exhibit A.

**Background and Analysis**

In January 2012 the City Council received a request to change the name of a portion of New Airport Road (Entrance to Auburn Airport from Bell Road) to Col. Bud Anderson Drive. Because of the number of existing businesses and properties located along this stretch of roadway the original renaming of New Airport Road presented numerous challenges and opposition. Consideration for other Airport area roadways was given and the subject roadway located off of Old Airport Road became the most viable candidate.

The subject paved access road is currently un-named and serves no businesses or residences along it's stretch. Since Old Airport Road and the access road are located within Placer County and constructed by the City of Auburn, both jurisdictions would need to approve the proposal however preliminary discussions with County staff have indicated no objections exists.

The subject roadway is approximately 600 feet in length and 25 feet wide. The proposed location of the signage is shown on Exhibit A. The Airport users groups have been presented with this proposal and are in support of naming the roadway to Col. Bud Anderson Dr.

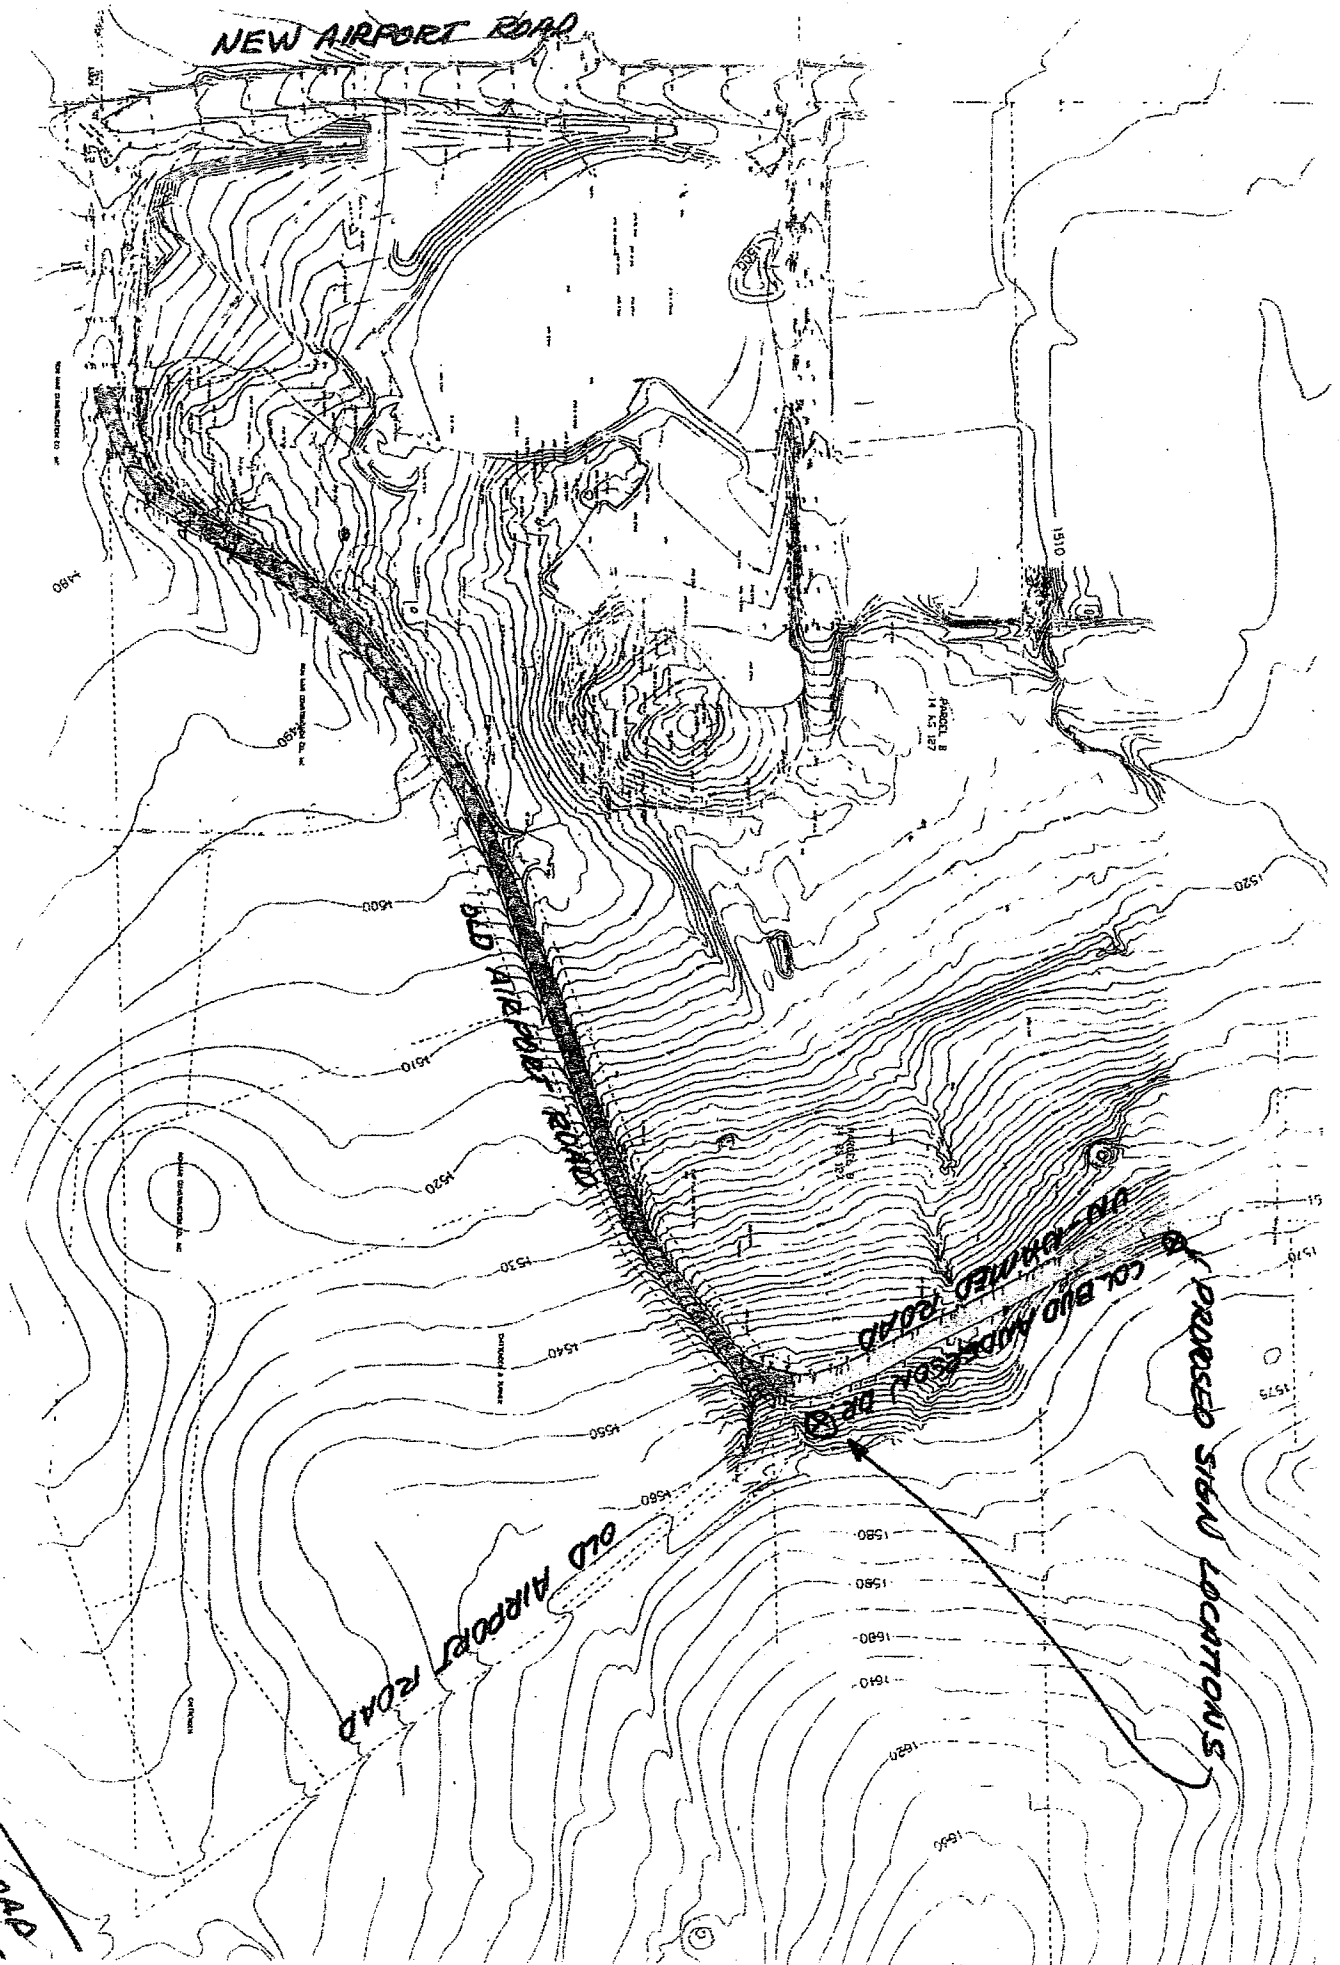

**Alternatives Available; Implications of Alternatives**

1. Direct staff to move forward with any necessary steps to establish the naming of the subject access road to Col. Bud Anderson Drive.
2. Do not move forward with the proposed naming of Col. Bud Anderson Drive.

**Fiscal Impact**

None at this time.
